DONE MANIFESTO

ILLUSTRATED BY JAMES PROVOST, AFTER BRE PETTIS & KJO STARK

The Cult of Done Manifesto

There are three states of being.

Not knowing, action and completion

Accept that everything is a draft. It helps to get it done

There is no editing stage

Pretending you know what you're doing is almost the same as knowing what you are doing, so just accept that you know what you're doing even if you don't and do it

Banish procrastination

If you wait more than a week to get an idea done, abandon it

The point of being done is not to finish but to get other things done

Once you're done you can throw it away

Laugh at perfection. It's boring

and keeps you from being done

People without dirty hands are wrong

Doing something makes you right

Failure counts as done. So do mistakes

Destruction is a variant of done

If you have an idea and publish it on the internet, that counts as a ghost of done

**Done is the engine
of more**
